QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Where and when is the Annual Meeting?

The Annual Meeting will be held Wednesday, December 14, 2016, at the offices of our outside corporate counsel, Vinson & Elkins LLP, located at 666 5th Avenue, 26th Floor, New York, New York 10103 at 10:00 a.m. (EST).

What is the purpose of the Annual Meeting?

At the Annual Meeting, shareholders will vote upon matters described in the Notice of Annual Meeting and this Proxy Statement, including the re-election of three directors and the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the year ending December 31, 2016. In addition, once the business of the Annual Meeting is concluded, members of management will respond to questions raised by shareholders, as time permits.

Who can attend the Annual Meeting?

All of our common shareholders of record as of the close of business on October 25, 2016, the record date for the Annual Meeting, or their duly appointed proxies, may attend the Annual Meeting. If you wish to attend the Annual Meeting, please register in advance with Investor Relations by email at ACRE-IR@avenuecapital.com or by phone at 212-878-3504. You should be prepared to present photo identification for admittance. Appointing a proxy in response to this solicitation will not affect a record shareholder's right to attend the Annual Meeting and to vote in person. Please note that if you hold your common stock in "street name" (that is, through a broker, bank or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of October 25, 2016 to gain admittance to the Annual Meeting.

Who may vote?

You may vote if you were the record owner of shares of our common stock at the close of business on October 25, 2016, the record date for the Annual Meeting. Each share of our common stock owned as of the record date has one vote.

What am I voting on?

Our Board is soliciting your vote for:

- (1) the re-election of three directors (each to serve a three-year term and until his successor is duly elected and qualified);
- (2) the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the year ending December 31, 2016; and
- (3) any other business that properly comes before the Annual Meeting and any adjournment or postponement thereof.

What are the Board's recommendations?

Our Board recommends you vote:

- (1) **"FOR"** the election of each nominee named in this Proxy Statement (see Proposal No. 1); and
- (2) **"FOR"** ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the year ending December 31, 2016 (see Proposal No. 2).

What is the difference between a shareholder of record and a beneficial owner of our common stock held in street name?

Shareholder of Record. If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC (“AST”), you are considered the shareholder of record with respect to those shares, and we sent the Notice of Internet Availability directly to you.

Beneficial Owner of Stock Held in Street Name. If your shares are held in an account at a broker, bank or other nominee, then you are the beneficial owner of those shares in “street name,” and the Notice of Internet Availability was forwarded to you by your broker, bank or other nominee who is considered the shareholder of record with respect to those shares. As a beneficial owner, you have the right to instruct your broker, bank or other nominee on how to vote the shares held in your account. Those instructions are contained in a “vote instruction form.”

How do I vote?

There are three ways to vote:

- *In Person.* If you are a shareholder of record, you may vote in person at the Annual Meeting. We will give you a ballot when you arrive. If you are a beneficial owner of shares held in street name and you wish to vote in person at the Annual Meeting, you must obtain a legal proxy from the broker, bank or other nominee that holds your shares. Please contact your broker, bank or other nominee for instructions regarding obtaining a legal proxy.
- *Via the Internet.* You may vote by proxy via the Internet by following the instructions provided in the Notice of Internet Availability.
- *By Mail.* If you requested to receive printed proxy materials, you can also vote by mail pursuant to instructions provided on the proxy card.

How are proxies voted?

All shares represented by valid proxies received prior to the Annual Meeting will be voted and, where a shareholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the shareholder’s instructions.

Can I change my vote after I have voted?

You may revoke your proxy and change your vote at any time before the final vote at the Annual Meeting. You may vote again on a later date prior to the Annual Meeting via the Internet (in which case only your latest Internet proxy submitted prior to the Annual Meeting will be counted) by signing and returning a new proxy card or vote instruction form with a later date, or by attending the Annual Meeting and voting in person. However, your attendance at the Annual Meeting will not automatically revoke your proxy unless you vote again at the Annual Meeting or specifically request that your prior proxy be revoked by delivering a written notice of revocation to the Company’s Secretary prior to the Annual Meeting.

Will my shares be voted if I do not provide my proxy?

It depends on whether you hold your shares in your own name or in the name of a bank or brokerage firm. If you hold your shares directly in your own name, they will not be voted unless you provide a proxy or vote in person at the Annual Meeting.

Brokerage firms generally have the authority to vote customers’ non-voted shares on certain “routine” matters. If your shares are held in the name of the brokerage firm, the brokerage firm can vote your shares for the ratification of Deloitte & Touche LLP as our registered independent public accounting firm for the year ending December 31, 2016 (Proposal No. 2) if you do not timely provide your voting instructions, because this matter is considered “routine” under the applicable rules. The other item (Proposal No. 1) is not considered “routine” and therefore may not be voted by your broker without instructions.

What constitutes a quorum for the Annual Meeting?

As of the record date for the Annual Meeting, we expect there to be 20,464,187 shares of our common stock issued and outstanding and entitled to vote at the Annual Meeting. In order to conduct the Annual Meeting, a majority of the shares entitled to vote must be present in person or by proxy. This is referred to as a “quorum.” If you submit a properly executed proxy card or vote on the Internet, you will be considered part of the quorum. Abstentions and broker “non-votes” will be counted as present and entitled to vote for purposes of determining a quorum. A broker “non-vote” occurs when a bank, broker or other nominee who holds shares for another person has not received voting instructions from the owner of the shares and, under the applicable rules, does not have discretionary authority to vote on a matter. If a quorum is not present, the Annual Meeting will be adjourned until a quorum is obtained. No business may be conducted at the Annual Meeting if a quorum is not present.

What vote is required to approve an item of business at the Annual Meeting?

Election of Directors (Proposal No. 1). Directors are elected by a plurality of the votes cast at the Annual Meeting. “Plurality” means that the nominees receiving the largest number of votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. For purposes of this vote, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the results of the vote for this proposal, although they will be considered present for the purpose of determining the presence of a quorum.

Ratification of Appointment of Deloitte & Touche LLP (Proposal No. 2). The affirmative vote of a majority of the votes cast at the Annual Meeting is required to approve this proposal. For purposes of this vote, abstentions will not be counted as votes cast and will have no effect on the result of the vote for this proposal, although they and broker non-votes will be considered present for the purpose of determining the presence of a quorum.

Where can I find the voting results of the Annual Meeting?

The Company intends to announce preliminary voting results at the Annual Meeting and disclose final results in a current report on Form 8-K filed with the SEC within four business days after the Annual Meeting. If final results are not yet known within that four business day period, the Company will disclose preliminary voting results in a Form 8-K and file an amendment to the Form 8-K to disclose the final results within four business days after such final results are known.

How can a shareholder propose business to be brought before next year’s annual meeting?

We must receive any shareholder proposals intended to be presented at our 2017 annual meeting of shareholders on or before July 5, 2017 for a proposal to be eligible to be included in the proxy statement and form of proxy to be distributed by the Board of Directors for that meeting. We must receive any shareholder proposals intended to be presented from the floor at our 2017 annual meeting of shareholders not less than 60 days before the meeting, except that if we give less than 40 days’ notice or prior public disclosure of the date of the meeting, we must receive the proposal not later than the close of business on the 10th day following the day on which we mail notice of the date of the meeting or publicly disclose the date.

Directions to the Annual Meeting of Shareholders

The Annual Meeting will be held at 10:00 a.m. EST, on Wednesday, December 14, 2016 at the offices of Vinson & Elkins LLP, 666 5th Avenue, 26th Floor, New York, New York 10103. You will need to arrive early enough to check in with the security desk in the building lobby. Arriving at least 30 minutes before the meeting time would be prudent.

Roberts expire at the Annual Meeting, and these three directors have been nominated for re-election for a new three-year term at this Annual Meeting, with Mr. Roberts’ nomination subject to the terms of the Extension of Governance and Voting Agreement, dated October 10, 2016, by and between the Company, A-III and Mr. Roberts, pursuant to which Mr. Roberts will no longer be a member of the Board of Directors upon expiration of the Governance and Voting Agreement among the Company, A-III and Mr. Roberts on June 30, 2017. Nominees for Re-election as Directors

This section gives information about the nominees for re-election as directors: Mr. Bruce D. Frank, Mr. Robert L. Loverd and Mr. Charles S. Roberts, who are all currently directors. Our Nominating and Corporate Governance Committee has recommended that Mr. Bruce D. Frank, Mr. Robert L. Loverd and Mr. Charles S. Roberts be re-elected to the Board for a term expiring at the 2019 annual meeting of shareholders and until a successor shall be elected and shall qualify.

The Board of Directors recommends a vote FOR the nominees.

Biographical Information for Nominees for Director

Charles S. Roberts. If elected, Mr. Roberts will serve for his three-year term and until his successor is elected and qualified, subject to the terms of the Extension of Governance and Voting Agreement, dated October 10, 2016, by and between the Company, A-III and Mr. Roberts, pursuant to which Mr. Roberts will no longer be a member of the Board of Directors upon expiration of the Governance and Voting Agreement among the Company, A-III and Mr. Roberts on June 30, 2017. See “Certain Relationships and Related Transactions.” Mr. Roberts has agreed to serve as a director if re-elected.

Mr. Roberts served as our Chairman of the Board, Chief Executive Officer and President since he founded the Company in 1994. On January 30, 2015, upon the closing of our recapitalization transaction with A-III, Mr. Roberts resigned from his positions with the Company and was immediately re-appointed as an Executive Vice President and a director. Mr. Roberts owns, directly or indirectly, all of the outstanding stock of, and is the president and sole director of, Roberts Properties, Inc. (“Roberts Properties”), Roberts Properties Management, LLC, Roberts Capital Partners, LLC and Roberts Properties Construction, Inc. (“Roberts Construction,” collectively, “Roberts Companies”), which develop, construct and manage multifamily apartment communities. Mr. Roberts has been a national speaker on the topic of developing upscale multifamily housing and has been recognized as a leader in this industry. On a regional level, Roberts Properties has been awarded 21 prestigious Aurora Awards by the Southeast Builders Conference; including eight times for the best rental apartment community. Roberts Properties has also been awarded the coveted Golden Aurora Award for best overall development in the Southeast. On a national level, Roberts Properties Management, LLC was recognized as the Property Management Company of the Year by the National Association of Home Builders, and Roberts Properties has twice been awarded the prestigious Pillars of the Industry Award from the National Association of Home Builders for the best upscale apartment community.

The Nominating and Corporate Governance Committee of our Board has concluded that Mr. Roberts should serve as a director because of his experience as our former Chief Executive Officer since he founded the Company in 1994, until the closing of the recapitalization transaction with A-III. He is one of our largest shareholders and he has more than 40 years of experience in real estate development, construction and management, particularly with respect to multifamily apartment communities.

Bruce D. Frank. If elected, Mr. Frank will serve for his three-year term and until his successor is elected and qualified. Mr. Frank has agreed to serve as a director if re-elected.

Mr. Frank has more than 35 years of experience providing assurance services to prominent public and private owners, investors and developers, both domestically and globally, on a wide range of real estate holding types, including office and apartment buildings, shopping centers, hotels, resorts, industrial, warehouse and other commercial properties. Mr. Frank served at Ernst & Young LLP from 1997 to 2014 and most recently worked as a Senior Partner within the assurance line of Ernst & Young’s real estate practice. Prior to Ernst & Young, Mr. Frank was at KPMG LLP for 17 years. His extensive experience has included working on initial public offerings and assisting acquirers in consummating acquisition transactions. He serves on the Real Estate Advisory Board of the New York University Schack Institute of Real Estate and is an active member of the National Association of Real Estate Investment Trusts (“NAREIT”). Mr. Frank has served as an independent director of the Board of Directors of VEREIT, Inc. (“VEREIT”) and as a member of VEREIT’s Audit Committee since July 2014 and became the Chairman of VEREIT’s Audit Committee in December 2014. He has also served on VEREIT’s Compensation Committee since November 2014 and on VEREIT’s Nominating and Corporate Governance Committee from November 2014 until September 2015. In February 2015, Mr. Frank was elected as a member of the Board of Directors of Landsea Holdings Corp. and was appointed as a member of its Audit Committee, Compensation Committee and Investment Committee. Mr. Frank received a Bachelor of Science degree in Accounting from Bentley College, is a member of the American Institute of Certified Public Accountants and is a Certified Public Accountant in the State of New York.

The Nominating and Corporate Governance Committee of our Board has concluded that Mr. Frank should serve as a director because of his experience as a certified public accountant with a “Big Four” accounting firm with a focus on the real estate business, including advising real estate companies seeking to access the public securities markets. The committee also took into account that Mr. Frank is “independent” under SEC Rule 10A-3 and under Section 803A of the NYSE MKT exchange listing standards, that his financial expertise qualifies him to serve on our Audit Committee, and that he is an “audit committee financial expert.”

Robert L. Loverd. If elected, Mr. Loverd will serve for his three-year term and until his successor is elected and qualified. Mr. Loverd has agreed to serve as a director if re-elected.

Mr. Loverd was a managing trustee (independent trustee), Chairman of the Board and chairman of the Board’s Compensation Committee and a member of the Board’s Nominating and Corporate Governance and Audit Committees, of Centerline Holding Company. Mr. Loverd served in these capacities while Centerline was a publicly listed company until Centerline completed a “going private” transaction and de-registered on March 15, 2013. Mr. Loverd is the former Group Chief Financial Officer and a founding partner of MC European Capital (Holdings), a London investment banking and securities firm, which was established in 1995 and substantially sold in 2000. From 1979 to 1994, Mr. Loverd held various positions in New York and London in the Investment Banking Departments of Credit Suisse and First Boston. Prior to that, Mr. Loverd was a shareholder in the International Investment Banking Department of Kidder, Peabody & Co. Incorporated. Mr. Loverd is a member of the Board of Directors of Harbus Investors, a privately owned investment vehicle. Mr. Loverd has been nominated to become a member of the SoulCycle Inc. board of directors upon the closing of its initial public offering. Mr. Loverd received a Bachelor of Arts degree from Princeton University and a Masters in Business Administration degree from Harvard Business School.

The Nominating and Corporate Governance Committee of our Board has concluded that Mr. Loverd should serve as a director because of his experience as an investment banker and chief financial officer and his prior service on the board of a public real estate company. The committee also took into account that Mr. Loverd is “independent” under SEC Rule 10A-3 and under Section 803A of the NYSE MKT exchange listing standards and that his financial expertise qualifies him to serve on our Audit Committee.

From August 2005 until January 2012, he served as a member of the Board of Directors of Arbor Realty Trust, Inc. and as a member of its Compensation Committee. In May 2016, Mr. Lieber became CEO of Resource Capital Corp. and joined the Board of Trustees of Resource Innovation Office REIT, Inc. Prior to that, Mr. Lieber served under New York City Mayor Michael R. Bloomberg as President of the Economic Development Corp. beginning in January 2007 and Deputy Mayor beginning in January 2008. Mr. Lieber entered the public sector upon retiring from Lehman Brothers after 23 years, serving most recently as a Managing Director in Lehman’s Real Estate Private Equity Fund and before that as the Global Head of Real Estate Investment Banking. He currently serves as Independent Director of Tutor Perini Corporation, a construction company whose shares are listed on the NYSE, and he also serves as a Board member and Secretary of the Board as well as a Trustee for the Urban Land Institute. He also serves on the executive committee and was previously the Chairman of the Zell-Lurie Real Estate Center at the Wharton School, University of Pennsylvania. Mr. Lieber holds a Bachelor of Arts degree from the University of Colorado and a Masters in Business Administration from the Wharton School at the University of Pennsylvania.

The Nominating and Corporate Governance Committee of our Board has concluded that Mr. Lieber should serve as a director because of his decades of real estate experience, his expertise in real estate finance, his deep relationships in the real estate business and his experience in serving as a director of a public company whose shares are listed on the NYSE.

CORPORATE GOVERNANCE

Board Meetings

The Board of Directors meets regularly to review significant developments affecting us and to act on matters requiring its approval. The Board in place during 2015 prior to the recapitalization transaction with A-III held one meeting and the Board in place in 2015 subsequent to the transaction held 13 meetings. No director, during his period of service in 2015, attended fewer than 75% of the total number of meetings of the Board and committees on which he served. All of the directors serving on our Board attended the 2015 annual meeting of shareholders, except for Robert Koen.

Committees of the Board of Directors

The Board of Directors has established an Audit Committee, a Nominating and Corporate Governance Committee and a Compensation Committee. A current copy of each committee's charter is available on our website at www.acrerealtyinvestors.com.

Audit Committee. The current members of the Audit Committee are Mr. Frank (Chairman), Mr. Lovard and Mr. Koen. Each of these members has been determined to be "independent" within the meaning of the applicable standards of the NYSE MKT and Rule 10A-3 of the Securities Exchange Act of 1934, as amended. In addition, each of these members meets the financial literacy requirements for audit committee membership under applicable standards of the NYSE MKT and the rules and regulations of the SEC. Our Board has determined that Mr. Frank is an "audit committee financial expert" as such term is defined in Item 407(d)(5)(ii) and (iii) of Regulation S-K. No member of the Audit Committee serves on the audit committee of more than three public companies.

The current Audit Committee held 12 meetings in 2015. The primary purpose of the Audit Committee is to assist our Board in fulfilling its oversight responsibility relating to: (i) the integrity of the Company's financial statements and financial reporting process, our systems of internal accounting and financial controls and other financial information we provide; (ii) the performance of the internal audit services function; (iii) the annual independent audit of our financial statements, the engagement of the independent auditors and the evaluation of the independent auditors' qualifications, independence and performance; (iv) our compliance with legal and regulatory requirements, including our disclosure controls and procedures; and (v) the evaluation of risk assessment and risk management policies.

The Audit Committee is responsible for reviewing any transactions that involve potential conflicts of interest, including any potential conflicts involving executive officers, directors and their immediate family members. See "Code of Business Conduct and Ethics."

Nominating and Corporate Governance Committee. The current members of the Nominating and Corporate Governance Committee are Mr. Koen (Chairman), Mr. Permut and Mr. Loverd. Our Board has determined that each member of the Nominating and Corporate Governance Committee is “independent” within the meaning of the applicable standards of the NYSE MKT.

The Nominating and Corporate Governance Committee in place prior to the recapitalization transaction with A-III held one meeting and the Committee subsequent to the transaction held one meeting in 2015. The primary purpose of the Nominating and Corporate Governance Committee is to assist our Board by: (i) identifying individuals qualified to become members of our Board, consistent with any guidelines and criteria approved by our Board; (ii) considering and recommending director nominees for our Board to select in connection with each annual meeting of shareholders; (iii) considering and recommending nominees for election to fill any vacancies on our Board and to address related matters; (iv) developing and recommending to our Board corporate governance guidelines applicable to us; (v) overseeing an annual evaluation of our Board’s and management’s performance; and (vi) providing counsel to our Board with respect to the organization, function and composition of our Board and its committees.

Compensation Committee. The members of the Compensation Committee are Mr. Permut (Chairman), Mr. Frank and Mr. Loverd. Our Board has determined that each member of the Compensation Committee is “independent” within the meaning of the applicable standards of the NYSE MKT. Each member of the Compensation Committee qualifies as an “outside director” as such term is defined under Section 162(m) of the Internal Revenue Code and as a “non-employee director” for purposes of Rule 16b-3 of the Exchange Act.

The current Compensation Committee held four meetings in 2015. The primary purpose of the Compensation Committee is to assist our Board in discharging its responsibilities relating to the management agreement with our Manager and the compensation of our Manager, directors and executive officers and administration of our compensation plans, policies and programs. The Compensation Committee has overall responsibility for evaluating and recommending changes to the compensation plans, our policies and programs and approving and recommending to our Board for its approval awards under our equity and compensation plans. In 2015, we retained a compensation consultant from FTI Consulting, Inc. (“FTI”) to review the compensation program of our independent directors and certain employees. The Compensation Committee has the authority to retain legal, accounting and other advisors as it determines necessary to carry out its functions, without deliberation or approval by the Board or management.

Code of Business Conduct and Ethics

The Board has established a Code of Business Conduct and Ethics that applies to our officers, directors and employees when such individuals are acting for or on our behalf. A current copy of the Code of Business Conduct and Ethics can be found on our website at www.acrerealtyinvestors.com. Any waiver of the Code of Business Conduct and Ethics may be made only by the Nominating and Corporate Governance Committee and will be promptly disclosed to shareholders in accordance with applicable SEC rules and applicable standards of the NYSE MKT.

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines, which provide the framework for our governance and represent our Board’s current views with respect to selected corporate governance issues considered to be of significance to our shareholders. A current copy of the Corporate Governance Guidelines can be found on our website at www.acrerealtyinvestors.com.

Availability of Corporate Governance Materials

Shareholders may view our corporate governance materials, including the charters of our Audit Committee, our Compensation Committee, our Nominating and Corporate Governance Committee, our Corporate Governance Guidelines and our Code of Business Conduct and Ethics, on our website at www.acrerealtyinvestors.com and these documents are available in print to any Shareholder upon request by writing to ACRE Realty Investors Inc. c/o Avenue Capital Group, 399 Park Avenue, 6th Floor, New York, NY 10022, Attention: Corporate Secretary. Information at or connected to our website is not and should not be considered a part of this annual report.

Board Leadership Structure

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board because the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. The Board has determined that having Mr. Edward Gellert, our Chief Executive Officer, serve as Chairman of the Board is in the best interest of our shareholders at this time because of his extensive experience in the real estate industry in a variety of types of transactions, including real estate investments.

Board's Role in Risk Oversight

The Board provides oversight of our risk management processes. Management identifies and prioritizes material risks, and each prioritized risk is referred to a Board committee or the full Board for oversight. For example, financial risks are referred to the Audit Committee. The Board regularly reviews information regarding our properties, loans, operations, liquidity and capital resources. The Board informally reviews the risks associated with these items at each quarterly Board meeting and at other Board meetings as deemed appropriate.

The Board believes an effective risk management system will (1) timely identify the material risks that we face; (2) communicate necessary information with respect to material risks to our principal executive officer or principal financial officer and officers of our Manager and, as appropriate, to our Board or relevant committee thereof; (3) implement appropriate and responsive risk management strategies consistent with our risk profile; and (4) integrate risk management into management and our Board's decision-making.

Our Manager has an investment committee that advises and consults with our senior management team with respect to, among other things, our investment policies, acquisitions, financing strategies and investment guidelines. The members of the investment committee include Edward Gellert, Robert Gellert, Gregory Simon, Robert Lieber, Paul Hughson and George Carleton.

Report of the Audit Committee

Our Audit Committee operates under a written charter adopted by the Board. Our Audit Committee is responsible for providing oversight of the independent audit process and the independent auditors, reviewing our financial statements and the financial statements of our subsidiaries and discussing them with management and the independent auditors, reviewing and discussing with management and the independent auditors the adequacy and effectiveness of our internal accounting and disclosure controls and procedures, and providing oversight of legal and regulatory compliance and ethics programs. The Audit Committee communicates regularly with our management, including our Chief Financial Officer, and with our auditors. The Audit Committee is also responsible for conducting an appropriate review of and pre-approving all related person transactions in accordance with applicable standards of the NYSE MKT and evaluating the effectiveness of the Audit Committee charter at least annually.

To comply with the Sarbanes-Oxley Act of 2002, the Audit Committee has adopted a policy that pre-approves specified audit and tax-related services to be provided by our independent auditors. The policy forbids our independent auditors from providing the services enumerated in Section 201(a) of the Sarbanes-Oxley Act.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. The Audit Committee reviews our quarterly and annual reporting on Form 10-Q and Form 10-K prior to filing with the SEC. In its oversight role, the Audit Committee relies on the work and assurances of our management, which has the primary responsibility for our financial statements and reports, and of the independent auditors, who, in their report, express an opinion on the conformity of our annual financial statements with generally accepted accounting principles ("GAAP").

When our audited consolidated balance sheets as of December 31, 2015, and the related consolidated statements of operations, shareholders' equity and cash flows for the year then ended, were prepared and included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015, our independent registered public accounting firm was Deloitte & Touche LLP ("Deloitte"). The Audit Committee reviewed and discussed the audited financial statements with management and discussed with Deloitte those matters required to be discussed by Deloitte with the Audit Committee under the rules adopted by the Public Company Accounting Oversight Board (the "PCAOB"). The Audit Committee received the written disclosures and the letter from Deloitte required by the applicable requirements of the PCAOB regarding Deloitte's communications with the Audit Committee concerning independence, and discussed with representatives of Deloitte their independence from the Company and our management. The Audit Committee reported its findings to our Board of Directors.

Based on the reviews and discussions described above, the Audit Committee recommended to our Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015 for filing with the SEC. A copy of our Annual Report on Form 10-K is available on our website at www.acrerealtyinvestors.com and through the SEC's Edgar database at www.sec.gov.

The Audit Committee's report shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate the information contained in the report by reference, and it shall not be deemed filed under such acts.

Robert L. Loverd
Robert G. Koen

Nominations of Directors

Pursuant to its charter, the responsibilities of the Nominating and Corporate Governance Committee include evaluating and recommending to the full Board of Directors the director nominee or nominees to stand for election at our annual meetings of shareholders. Although the committee is authorized to retain search firms and to compensate them for their services, it has not elected to do so to date.

The Nominating and Corporate Governance Committee examines each director nominee on a case-by-case basis regardless of who recommends the nominee. In considering whether to recommend any particular candidate for inclusion in the Board's slate of recommended director nominees, the committee considers the following criteria, among others: the candidate's availability, insight, practical wisdom, professional and personal ethics and values to ensure they are consistent with the Company's longstanding values and standards; experience at the policy-making level in business, real estate or other areas of endeavor specified by the Board; commitment to enhancing shareholder value; and ability and desire to represent the interests of all shareholders. The committee does not assign specific weight to particular criteria, and no particular criterion is a prerequisite for any prospective nominee. Although we have no policy regarding diversity, we believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board of Directors to fulfill its responsibilities.

In addition to the qualification criteria above, the Nominating and Corporate Governance Committee also takes into account whether a potential director nominee qualifies as an "audit committee financial expert" as the SEC defines that term, and whether the potential director nominee would qualify as an "independent" director under the applicable standards of the NYSE MKT.

The Nominating and Corporate Governance Committee evaluated our Board's nominees, Mr. Frank, Mr. Loverd and Mr. Roberts, in light of the above criteria and recommended to the Board that they be nominated for re-election as directors at the Annual Meeting. Our Board approved that recommendation.

The Nominating and Corporate Governance Committee will consider persons recommended by shareholders to become nominees for election as directors, provided that those recommendations are submitted in writing to our Corporate Secretary specifying the nominee's name and qualifications for Board membership. For a shareholder to nominate a director candidate, the shareholder must comply with the advance notice provisions and other requirements of Section 8 of Article I of our bylaws.

We urge any shareholder who intends to recommend a director candidate to the Nominating and Corporate Governance Committee for consideration to review thoroughly our Nominating and Corporate Governance Committee Charter and Section 8 of Article I of our bylaws. Copies of our Nominating and Corporate Governance Committee Charter and our bylaws are available upon written request to Gregory I. Simon, Executive Vice President, General Counsel and Secretary, ACRE Realty Investors Inc., c/o Avenue Capital Group, 399 Park Avenue, 6th Floor, New York, New York, 10022.

Communications with the Board of Directors

The Board of Directors has established a process for shareholders to send communications to the Board of Directors. Shareholders may communicate with the Board as a group or individually by writing to: The Board of Directors of ACRE Realty Investors Inc., c/o Avenue Capital Group, 399 Park Avenue, 6th Floor, New York, New York 10022. The General Counsel and Secretary may require reasonable evidence that a communication or other submission is made by an ACRE shareholder before transmitting the communication to the Board or a Board member. On a periodic basis, the General Counsel and Secretary will compile and forward all shareholder communications submitted to the Board or the individual directors.

In connection with the A-III transaction, we paid severance payments to the former directors totaling \$96,000 in 2015.

Equity Compensation Plan Information

On October 12, 2015, based on the recommendation of our Compensation Committee of the Board, the Board approved restricted stock grants of an aggregate of 260,000 shares of common stock to our independent directors and certain of our officers. The restricted stock grants were awarded pursuant to our 2006 Restricted Stock Plan, as amended (the "Plan"). The Plan provides for the grant of stock awards to our employees, directors, consultants and advisors. The maximum number of shares of restricted stock that may be granted to any one individual during the term of the Plan may not exceed 20% of the aggregate number of shares of restricted stock that may be issued under the Plan. Under the Plan as amended on January 27, 2009, we could grant up to 654,000 shares of restricted common stock under the Plan, subject to the anti-dilution provisions of the Plan. The vesting of the awards for the independent directors and officers is subject to continued service through each of the vesting periods. Each of our four independent directors were awarded 20,000 shares of restricted common stock, which vested on January 30, 2016. Certain of our officers were awarded an aggregate of 180,000 shares of restricted common stock, which vest in equal one-third installments. There were 60,000 shares, which vested on each of January 30, 2016 and October 12, 2016. The remaining 60,000 shares will vest on October 12, 2017.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, executive officers and persons who beneficially own more than 10% of our outstanding common stock to file with the SEC initial reports of ownership and reports of changes in their ownership of our common stock. Directors, executive officers and greater than 10% shareholders are required by SEC regulations to furnish us with copies of the forms they file. To our knowledge, based solely on a review of the copies of such reports furnished to us, during the fiscal year ended December 31, 2015, our directors, executive officers and greater than 10% shareholders complied with all applicable Section 16 (a) filing requirements.

Transactions with A-III Investment Partners LLC

Governance and Voting Agreement

In connection with our recapitalization transactions with A-III, on January 30, 2015, the Company, A-III, and Mr. Roberts entered into a Governance and Voting Agreement, that provided for the composition of the new Board immediately following the closing of the transactions contemplated by the Stock Purchase Agreement, dated November 19, 2014 (the "Stock Purchase Agreement") and certain other related matters. Under the terms of the Governance and Voting Agreement, the new Board is composed of a total of seven directors, including two directors designated by A-III, four new independent directors designated by A-III satisfying the independence requirements of the applicable listing standards and SEC rules, and Mr. Roberts, who will serve on the new Board until the first anniversary of the closing of the transaction with A-III. A-III will maintain its rights to designate two directors and to nominate four independent directors only if A-III and its members, and their respective affiliates, collectively maintain continuous beneficial ownership of an aggregate of at least 100% of the shares of common stock initially acquired at the closing of the recapitalization transaction. One of the two A-III designees is Chairman of the Board.

Under the terms of the Governance and Voting Agreement, the Company and A-III agreed to nominate Mr. Roberts for re-election to the Board at any meeting of the shareholders of the Company held after the closing of the recapitalization transaction and before the first anniversary of the closing date to consider a vote on the election of directors of the class in which Mr. Roberts serves (or, to the extent the Company has de-classified the Board, which the parties acknowledge is the Company's intent, to consider a vote on the election of all directors), and not to take any action that is designed to interfere with his election or re-election to the Board during such one-year period. Mr. Roberts agreed to resign from the Board immediately upon the first to occur of the following two events: (a) if he fails to continuously maintain beneficial ownership of at least 1,100,000 shares of common stock (subject to adjustment for stock splits, stock dividends and other similar adjustments to the shares of common stock) and (b) the first anniversary of the closing date of the recapitalization transaction.

From and after the closing of the recapitalization transaction, A-III and Mr. Roberts agreed to vote in favor of the election or re-election, as the case may be, of the directors designated by the parties under the Governance and Voting Agreement. A-III's voting obligations with respect to the election of Mr. Roberts as a director will only apply while Mr. Roberts has the right to be nominated for election as a director, and Mr. Roberts' obligations with respect to the election of the two A-III designees and the four independent directors will terminate upon the first to occur of the termination of Mr. Roberts' right to be nominated for election as a director and Mr. Roberts' resignation from the Board.

Mr. Roberts agrees to vote all shares of the Company's capital stock beneficially owned by him and entitled to vote in favor of any resolution or proposal approved by a majority of the independent directors and recommended by the Board for approval by shareholders of the Company, provided that his voting obligations will expire upon the first to occur of the termination of his right to be nominated for election as a director and his resignation from the Board. Those matters may include any of the following matters, which the Company and A-III have stated that they intend to effectuate as soon as is practicable after the closing:

- any proposal to reincorporate the Company as a Maryland corporation, whether through an affiliated merger or otherwise;
- any proposal to de-classify the Board;
- any proposal to effectuate a reverse split of the common stock;
- any proposal to amend the Company's articles of incorporation or bylaws to waive the application of the corporate opportunity doctrine to the two A-III designees with respect to investment opportunities identified by them or their affiliates for the benefit of the other investment funds and accounts managed by them or their affiliates; and
- any proposal to adopt amended or restated articles of incorporation in furtherance of any of the foregoing matters that requires such an amendment or restatement.

Under the terms of the Governance and Voting Agreement, so long as A-III and its members, and their respective affiliates, collectively maintain continuous beneficial ownership of an aggregate of at least 100% of the shares of common stock initially acquired at the closing (subject to adjustment for stock splits, stock dividends and other similar adjustments to the shares of common stock), Mr. Roberts will maintain beneficial ownership of a sufficient number of shares of common stock that will allow A-III and Mr. Roberts to collectively maintain beneficial ownership of a majority of the shares of common stock outstanding upon the completion of the closing; provided, however, that Mr. Roberts' obligations in this regard will expire upon the first to occur of the termination of his right to be nominated for election as a director and his resignation from the Board. In no event will Mr. Roberts be required to purchase additional shares of common stock.

Employment Agreement

At the closing of the transactions with A-III on January 30, 2015, the Company and Mr. Roberts entered into an employment agreement (the "Employment Agreement") pursuant to which Mr. Roberts was engaged to serve as an Executive Vice President for a term of one year from the date of the agreement, or until the sale of all four of the land parcels then owned by the Company is completed, if earlier. Under the Employment Agreement, Mr. Roberts is responsible for the marketing process for these properties. The Company pays Mr. Roberts an annual salary of \$250,000. Under the Employment Agreement, Mr. Roberts is not eligible for a bonus, nor will he receive a severance payment. If the Employment Agreement is terminated before January 30, 2016 because all four of the Company's land parcels have been sold, the Company will pay Mr. Roberts' salary as if he had been employed through January 30, 2016, and he will receive the unpaid amount in a lump sum not later than 30 days after the termination of the Employment Agreement.

Extension Agreements Extending Term of Governance and Voting Agreement and Employment Agreement

On February 1, 2016, the Company, A-III and Mr. Roberts, entered into an agreement (the “First Extension Agreement”), effective as of January 28, 2016, extending the terms of the Employment Agreement and the Governance and Voting Agreement, each dated as of January 30, 2015. On June 15, 2016, the Company, A-III and Mr. Roberts, entered into an amendment to the First Extension Agreement (the “Second Extension Agreement”), effective as of June 15, 2016, further extending the terms of the Employment Agreement and the Governance and Voting Agreement. As a result of these amendments, the parties have agreed to extend the expiration of the term of each of the Employment Agreement and the Governance and Voting Agreement from June 30, 2016, the first extension date, to December 31, 2016. As a result, all of the respective rights and obligations of the parties under, and all other terms, conditions and provisions of, the Employment Agreement and the Governance and Voting Agreement shall continue in full force and effect until December 31, 2016, unless the Employment Agreement or the Governance and Voting Agreement is amended in writing by the parties or is sooner terminated in accordance with the provisions thereof.

On October 10, 2016, the Company, A-III and Mr. Roberts, entered into an agreement (the “Extension of Governance and Voting Agreement”), effective as of October 10, 2016, further extending the term of the Governance and Voting Agreement, but not the Employment Agreement. As a result of the Extension of Governance and Voting Agreement, the parties have agreed to extend the expiration of the term of the Governance and Voting Agreement from December 31, 2016 to June 30, 2017. As a result, all of the respective rights and obligations of the parties under, and all other terms, conditions and provisions of, the Governance and Voting Agreement shall continue in full force and effect until June 30, 2017, unless the Governance and Voting Agreement is amended in writing by the parties or is sooner terminated in accordance with the provisions thereof. Pursuant to the Extension of Governance and Voting Agreement, the parties agreed to nominate Mr. Roberts for re-election to the Board to be duly elected by the Company’s shareholders at the annual meeting to be held on Wednesday, December 14, 2016.

Management Agreement

In connection with our recapitalization transactions with A-III, on January 30, 2015, our Company, our operating partnership, and the Manager entered into a management agreement (the “Management Agreement”), among other things, to provide for the day-to-day management of our Company by the Manager, including investment activities and operations of our Company and its properties. The Management Agreement requires the Manager to manage and administer the business activities and day-to-day operations of our Company and all of its subsidiaries in conformity with our Company’s investment guidelines and other policies that are approved and monitored by our Board. These investment guidelines and other policies may be modified and supplemented from time to time pursuant to approval by a majority of the entire Board (which must include a majority of the independent directors) and the Manager’s investment committee.

The Manager maintains an administrative services agreement with A-III, pursuant to which A-III and its affiliates, including Avenue Capital Group and C-III Capital Partners, provide a management team along with appropriate support personnel for the Manager to deliver the management services to us. Under the terms of the Management Agreement, among other things, the Manager must refrain from any action that, in its reasonable judgment made in good faith, is not in compliance with the investment guidelines and would, when applicable, adversely affect the qualification of our Company as a REIT. The Management Agreement has an initial five-year term and will be automatically renewed for additional one-year terms thereafter unless terminated either by us or the Manager in accordance with its terms.

For the services to be provided by the Manager, our Company is required to pay the Manager the following fees:

- an annual base management fee equal to 1.50% of our Company’s “Equity” (as defined below), calculated and payable quarterly in arrears in cash;

- a property management fee equal to 4.0% of the gross rental receipts received each month at our Company's and its subsidiaries' properties, calculated and payable monthly in arrears in cash;
- an acquisition fee equal to 1.0% of the gross purchase price paid for any property or other investment acquired by our Company or any of its subsidiaries, subject to certain conditions and limitations and payable in arrears in cash with respect to all such acquisitions occurring after the date of the Management Agreement;
- a disposition fee equal to the lesser of (a) 50% of a market brokerage commission for such disposition and (b) 1.0% of the sale price with respect to any sale or other disposition by our Company or any of its subsidiaries of any property or other investment, subject to certain conditions and limitations and payable in arrears in cash with respect to all such dispositions occurring after the date of the Management Agreement with certain exceptions (this disposition fee will not apply to the sale of the four legacy land parcels); and
- an incentive fee (as described below) based on our Company's "Adjusted Net Income" (as defined below) for the trailing four quarter period in excess of the "Hurdle Amount" (as defined below), calculated and payable in arrears in cash on a rolling quarterly basis.

For purposes of calculating the base management fee, "Equity" means (a) the sum of (1) the net proceeds from all issuances of our Company's common stock and OP Units (without double counting) and other equity securities on and after the closing, which will include the common stock issued to A-III in the recapitalization transaction (allocated on a pro rata basis for such issuances during the fiscal quarter of any such issuance) and any issuances of common stock or OP Units in exchange for property investments and other investments by our Company, plus (2) the product of (x) the sum of (i) the number of shares of common stock issued and outstanding immediately before the closing and (ii) the number of shares of common stock for which the number of OP Units issued and outstanding immediately before the date of the closing (excluding any OP Units held by our Company) may be redeemed in accordance with the terms of the agreement of limited partnership of our operating partnership and (y) the purchase price per share paid by A-III for the shares of common stock we issued to A-III in the recapitalization transaction, as the purchase price per share may be subsequently adjusted as described above, plus (3) the retained earnings of our Company and the operating partnership (without double counting) calculated in accordance with GAAP at the end of the most recently completed fiscal quarter (without taking into account any non-cash equity compensation expense incurred in current or prior periods), minus (b) any amount in cash that our Company or the operating partnership has paid to repurchase common stock, OP Units, or other equity securities of our Company as of the closing date of the recapitalization transaction. Equity excludes (1) any unrealized gains, losses or non-cash equity compensation expenses that have impacted shareholders' equity as reported in our financial statements prepared in accordance with GAAP, regardless of whether such items are included in other comprehensive income or loss, or in net income, (2) one-time events pursuant to changes in GAAP, and certain non-cash items not otherwise described above in each case, after discussions between the Manager and our Company's independent directors and approval by a majority of the independent directors and (3) our Company's accumulated deficit as of the closing date of the recapitalization transaction.

For purposes of the Management Agreement, "Incentive Fee" means an incentive fee, calculated and payable after each fiscal quarter, in an amount (greater than zero) equal to (i) the product of (A) 20% and (B) the excess, if any, of (1) the Company's Adjusted Net Income (described below) for such fiscal quarter and the immediately preceding three fiscal quarters over (2) the Hurdle Amount (described below) for such four fiscal quarters, less (ii) the sum of the Incentive Fees already paid or payable for each of the three fiscal quarters preceding that fiscal quarter. Any adjustment to the Incentive Fee calculation proposed by the Manager will be subject to the approval of a majority of the independent directors.

For purposes of calculating the Incentive Fee, "Adjusted Net Income" for the preceding four fiscal quarters means the net income calculated in accordance with GAAP after all base management fees but before any acquisition expenses, expensed costs related to equity issuances, incentive fees, depreciation and amortization and any non-cash equity compensation expenses for such period. Adjusted Net Income will be adjusted to exclude one-time events pursuant to changes in GAAP, as well as other non-cash charges after discussion between the Manager and our independent directors and approval by a majority of the independent directors in the case of non-cash charges. Adjusted Net Income includes net realized gains and losses, including realized gains and losses resulting from dispositions of properties and other investments during the applicable measurement period.

For purposes of calculating the Incentive Fee, the “Hurdle Amount” is, with respect to any four fiscal quarter period, the product of (i) 7% and (ii) the weighted average gross proceeds per share of all issuances of common stock and OP Units (excluding issuances of common stock and OP Units, or their equivalents, as equity incentive awards), with each such issuance weighted by both the number of shares of common stock and OP Units issued in such issuance and the number of days that such issued shares of common stock and OP Units were outstanding during such four fiscal quarter period.

The first Incentive Fee calculation will not occur until after completion of the 2015 fiscal year. The Incentive Fee will be prorated for partial quarterly periods based on the number of days in such partial period compared to a 90-day quarter.

The Manager is also entitled to receive a termination fee from our Company under certain circumstances equal to four times the sum of (x) the average annual base management fee, (y) the average annual incentive fee, and (z) the average annual acquisition fees and disposition fees, in each case earned by the Manager in the most recently completed eight calendar quarters immediately preceding the termination.

Additionally, our Company is responsible for paying all of its own operating expenses and the Manager is responsible for paying its own expenses, except that we are required to pay or reimburse certain expenses incurred by the Manager and its affiliates in connection with the performance of the Manager’s obligations under the Management Agreement, including:

- reasonable out of pocket expenses incurred by personnel of the Manager for travel on our Company’s behalf;
- the portion of any costs and expenses incurred by the Manager or its affiliates with respect to market information systems and publications, research publications and materials that are allocable to our Company in accordance with the expense allocation policies of the Manager or such affiliates;
- all insurance costs incurred with respect to insurance policies obtained in connection with the operation of our business, including errors and omissions insurance covering activities of the Manager and its affiliates and any of their employees relating to the performance of the Manager’s duties and obligations under the Management Agreement or of its affiliates under the administrative services agreement between the Manager and A-III, other than insurance premiums incurred by the Manager for employer liability insurance;
- expenses relating to any office or office facilities, including disaster backup recovery sites and facilities, maintained expressly for our Company and separate from offices of the Manager;
- the costs of the wages, salaries, and benefits incurred by the Manager with respect to certain Dedicated Employees that the Manager elects to provide to our Company pursuant to the Management Agreement; provided that (A) if any such Dedicated Employee devotes less than 100% of his or her working time and efforts to matters related to our Company and its business, our Company will be required to bear only a pro rata portion of the costs of the wages, salaries and benefits the Manager incurs for such Dedicated Employees based on the percentage of such employee’s working time and efforts spent on matters related to our Company, (B) the amount of such wages, salaries and benefits paid or reimbursed with respect to the Dedicated Employees shall be subject to the approval of the Compensation Committee of our Board and, if required by the Board, of the Board and (C) during the one-year period following the date of the Management Agreement, the aggregate amount of cash compensation paid to Dedicated Employees of the Manager and its affiliates by our Company, or reimbursed by our Company to the Manager in respect thereof, will not exceed \$500,000; and
- any equity-based compensation that our Company, upon the approval of the Board or the Compensation Committee of the Board, elects to pay to any director, officer or employee of our Company or the Manager or any of the Manager’s affiliates who provides services to our Company or any of its subsidiaries.

Other than as expressly provided above, our Company will not be required to pay any portion of the rent, telephone, utilities, office furniture, equipment, machinery and other office, internal and overhead expenses of the Manager and its affiliates. In particular, the Manager is not entitled to be reimbursed for wages, salaries and benefits of its officers and employees, other than as described above. Subject to any required Board approval, the Manager may retain, for and on behalf, and at the sole cost and expense, of our Company, such services of non-affiliate third party accountants, legal counsel, appraisers, insurers, brokers, transfer agents, registrars, developers, contractors, investment banks, financial advisors, banks and other lenders and others as the Manager deems necessary or advisable in connection with the management and operations of our Company. In lieu of retaining non-affiliate outside service providers as described in the preceding sentence, the Manager may retain, on behalf of and at the cost and expense of our Company, affiliates of the Manager, or to direct officers or employees of the Manager or its affiliates, to provide any services that the Manager deems necessary or advisable in connection with the management and operations of our Company and its properties and other investments, provided that the amounts paid by our Company for such services do not exceed the fees and expenses that a commercially reasonable third party service provider would have charged for such services. If the Manager proposes to retain any affiliate of the Manager, or to direct officers or employees of the Manager or its affiliates, to provide any services that the Manager deems necessary or advisable in connection with the management and operations of our Company and its properties and other investments pursuant to the preceding sentence, then such arrangement will be subject to the prior approval of a majority of our independent directors.

For the year ended December 31, 2015, the Company incurred a base management fee of \$389,111 and \$500,000 to reimburse the Manager for Dedicated Employees who are employees of affiliates of A-III and for fees paid by the Manager to FTI for the services of Mark E. Chertok, our Chief Financial Officer. At December 31, 2015 the unpaid portion of the base management fee and the reimbursable expenses was \$245,753.

Registration Rights Agreement

The Company and A-III are parties to a Registration Rights Agreement (the “Registration Rights Agreement”), pursuant to which the Company agreed, among other things, to file on or before the date that is 180 days after the closing date of the transaction with A-III (or July 30, 2015) a shelf registration statement on Form S-11 or such other form then available to the Company. The registration statement will cover the resale from time to time of shares issued or to be issued to A-III under the Stock Purchase Agreement and the Warrant Agreement. The Company previously announced that, on each of September 3, 2015 and May 30, 2016, the Company’s Board of Directors unanimously approved a deferral of the deadline for the Company to file a shelf registration statement to register for resale A-III’s shares of Company common stock until up to May 31, 2016 and December 31, 2016, respectively. On October 14, 2016, A-III and the Company agreed to further extend the deferral of the shelf registration statement filing deadline under the Registration Rights Agreement until up to June 30, 2017. The Company’s Board of Directors unanimously approved the extension of the filing deadline on October 14, 2016. This deferral will allow the Company to use Form S-3, which will be less costly for the Company than Form S-11. Other than the foregoing deferral of the registration deadline to June 30, 2017, all terms and conditions of the Registration Rights Agreement remain in full force and effect.

Tax Protection Agreement

In July 2013, the operating partnership privately offered to investors who held both OP Units and shares of common stock the opportunity to contribute shares to the operating partnership in exchange for OP Units (provided that the investors were “accredited investors” as defined in Rule 501(a) of Regulation D under the Securities Act of 1933, as amended). This offering remains open to such investors. The Company, the operating partnership, A-III, and the Manager are parties to a Tax Protection Agreement (the “Tax Protection Agreement”) that provides that the parties will take the actions necessary to cause the operating partnership to continue the offering to such investors and to retain the shares it has previously acquired in the offering and any shares it acquires in the future in the offering.

Warrant Agreement

The Company and A-III are parties to a Warrant Agreement, pursuant to which the Company issued to A-III warrants to purchase 26,760,563 shares of the Company's common stock at an exercise price of \$1.42 per share (\$38,000,000 in aggregate), subject to the post-closing adjustment described above (subject to further adjustment for stock splits, stock dividends, and other similar stock adjustments during the exercise term of such warrants).

Transactions with the Roberts Companies and Their Affiliates

Mr. Charles S. Roberts, our former Chief Executive Officer, owns all of the outstanding shares of each of the Roberts Companies. As explained below, we have entered into transactions with the Roberts Companies and paid them to perform services for us during the last two fiscal years. In connection with the transaction with A-III, all agreements and arrangements between the Company and the Roberts Companies have been terminated, except for the Reimbursement Arrangement for Consulting Services, as outlined below.

Overview. We have paid fees to the Roberts Companies for various services. We reimburse the Roberts Companies for the costs of certain services and personnel the Roberts Companies provide to us, and we have retained the Roberts Companies for development services and construction services for some of our land parcels in the past. For a period of 180 days after the closing of the recapitalization transaction with A-III, the Company had the right to request the reasonable assistance of employees of Roberts Properties with respect to transition issues and questions relating to the Company's properties and operations. This 180 day period terminated July 30, 2015. Under Mr. Robert's Employment Agreement, Mr. Roberts has agreed to supervise the disposition of the legacy properties. Affiliates of Mr. Roberts may provide services to us in connection with the sale of such properties. The fees and costs we pay for such services will be considered selling costs for purposes of the true-up arrangement under the Stock Purchase Agreement.

Sale Contract on Bradley Park Land Parcel. On January 26, 2015, we entered into a contract to sell our Bradley Park land parcel for \$4,178,000 to Bradley Park Apartments, LLC ("BPA"), which is an affiliate of Mr. Charles Roberts, our former President, CEO and Chairman of the Board. Under the terms of the sale contract, BPA paid a \$10,000 earnest money deposit and had 60 days to inspect the property and elect to proceed with the purchase, at which time BPA must pay an additional \$15,000 earnest money deposit. On March 25, 2015, BPA elected to proceed with the purchase and deposited an additional \$15,000 of earnest money with the title company.

On July 27, 2015, effective as of July 24, 2015, we amended the previously announced sale contract with BPA to extend the closing date to September 28, 2015. BPA exercised its right pursuant to the July 27, 2015 amendment to further extend the closing date to November 12, 2015 by depositing in escrow an additional \$25,000. On November 11, 2015, the Company amended the previously announced sale contract to extend the closing date from November 12, 2015 to November 17, 2015. This was followed by a November 17th amendment extending the closing date further to November 30, 2015. On November 30, 2015, the Company amended the previously amended sale contract again, to further extend the closing date to any business day on or before December 8, 2015. As a material inducement to the Company's execution of the aforementioned amendment, on November 30, 2015, Charles S. Roberts, Executive Vice President and Director of the Company and an affiliate of Bradley Park, signed a general release and covenant not to sue in favor of the Company and its affiliates. The sale of the Bradley Park Land closed on December 4, 2015. In connection with the sale of the Bradley Park Land the land loan encumbering the land parcel was paid in full on December 4, 2015.

The Bradley Park land parcel is one of the four legacy properties that was acquired prior to the recapitalization transaction with A-III Investment Partners LLC. Our Audit Committee, as constituted prior to the A-III transaction, approved the transaction in accordance with the committee's charter and in compliance with applicable standards of the NYSE MKT. Our Board as constituted prior to and after the A-III transaction also approved the transaction in accordance with our Code of Business Conduct and Ethics.

Sale Contract on Highway 20. On October 7, 2016, the operating partnership, entered into a sales contract with Roberts Capital Partners, LLC, a Georgia limited liability company (the "Purchaser"), pursuant to which the operating partnership agreed to sell, and the Purchaser agreed to purchase, subject to the conditions in the contract, that certain parcel of approximately 37.693 acres of real property located in Cumming, Forsyth County, Georgia, fronting on State Route 20 ("Highway 20"). Highway 20 is one of the legacy properties that was acquired prior to the recapitalization transaction with A-III Investment Partners LLC. As described in our most recent Annual Report on Form 10-K, Highway 20 is the only remaining legacy property that the Company has not sold.

Under the terms of the sales contract, the purchase price for Highway 20 is Three Million Six Hundred Seventy-Five Thousand and No/100 Dollars (\$3,675,000). Purchaser paid an initial deposit of \$30,000 following execution of the contract. Purchaser has 90 days from the execution date to inspect Highway 20 and elect whether to proceed with the purchase, at which time, if the Purchaser elects to proceed with the purchase of Highway 20, the initial deposit will become non-refundable and the Purchaser must pay an additional \$50,000 non-refundable deposit.

If the Purchaser does not send a notice to the operating partnership electing to proceed with the purchase, or sends a notice to the operating partnership that Purchaser will not be sending a notice to proceed, on or before 90 days from the execution date, the condition precedent set forth in the sales contract with regards to inspection will be deemed unsatisfied and the initial deposit would be returned to the Purchaser and the sales contract would be terminated. If the Purchaser elects to proceed with the purchase upon expiration of the 90-day inspection period and the subsequent deposit is paid, the closing is expected to occur on or before 60 days after the expiration of the 90-day inspection period. The entire amount of the initial deposit and subsequent deposit will be applied to the total purchase price at closing. At closing, Purchaser will pay the operating partnership One Million Fifty Thousand and No/100 Dollars (\$1,050,000) to reimburse Seller for all the prepaid sanitary sewer tap fees appurtenant to Highway 20, and the operating partnership will transfer and assign to Purchaser all of operating partnership's right, title and interest in and to such sanitary sewer tap fees.

Sublease of Office Space. On February 19, 2014, we entered into a sublease for 1,817 square feet of office space with Roberts Capital Partners, LLC. The sublease had a commencement date of April 7, 2014. Roberts Capital Partners, LLC is owned by Mr. Charles S. Roberts, our former Chairman of the Board, Chief Executive Officer and President. The rental rates and lease term were the same rental rates and lease term that Roberts Capital Partners, LLC had with KBS SOR Northridge LLC, the unrelated third party owner of the building. Roberts Capital Partners, LLC is liable to the building owner for the full three-year term of its lease; however, we negotiated a 90-day right to terminate our sublease as described below. The sublease had a three-year term, with a one-year option, which provides for rental rates of \$16.50 per square foot in Year 1, \$17.25 per square foot in Year 2, \$18.00 per square foot in Year 3, and \$18.75 per square foot for the Year 4 option. We have the right to terminate the sublease upon 90 days' notice by paying (a) a minimum of 12 months of rent under the sublease, plus (b) an early termination amount, which will be the lesser of (x) the next 12 months of rent due under the sublease or (y) the remaining amounts due under the term of the sublease, as calculated on the early termination date. The minimum total lease payments to Roberts Capital Partners, LLC will be \$61,324 and the maximum total lease payments, assuming the full three-year term and the exercise of the Year 4 option, would be \$128,099. We paid a security deposit of \$20,577 upon the execution of the lease and have paid \$31,003 and \$21,986 in rent during the year ended December 31, 2015 and 2014, respectively.

Restrictive Covenant on North Springs Property. Our 10-acre North Springs property in Fulton County is zoned for 356 multifamily apartment units, 210,000 square feet of office space and 56,000 square feet of retail space. In acquiring the North Springs property in January 2005, we assumed and became bound by a pre-existing restrictive covenant on the property that was already recorded in the Fulton County, Georgia real estate records in favor of Roberts Properties and Roberts Construction. We previously paid the development fees to Roberts Properties for the services they provided in full satisfaction of that part of the covenant. The restrictive covenant expired and was terminated in January 2015.

Development Fees. Roberts Properties provided various development services that include market studies; business plans; assistance with permitting, land use and zoning issues, easements, and utility issues, as well as exterior design, finish selection, and interior design. We entered into a design and development agreement with Roberts Properties for the Highway 20 project and made payments to Roberts Properties of \$0 in 2015 and \$105,000 in 2014. In connection with our recapitalization with A-III, this design and development agreement has been terminated.

Construction Contracts. We entered into cost plus contracts with Roberts Construction for the Bradley Park, Northridge, North Springs, and Highway 20 properties. Under these contracts, we paid Roberts Construction the cost of constructing the project plus 5% for overhead and 5% for profit. We paid progress payments monthly to Roberts Construction based on the work that was completed. No amounts were incurred on these contracts during 2014 and 2015. In connection with our recapitalization with A-III, these contracts have been terminated.

Other Payments to Roberts Construction. At our request, Roberts Construction performed repairs and maintenance and made tenant improvements for new leases at our retail centers and office building. Roberts Construction also performed maintenance on the land parcels. Roberts Construction received cost reimbursements of \$2,104 in 2015 and \$287,821 in 2014.

Reimbursements to Roberts Properties for Consulting Services. We entered into a reimbursement arrangement for services provided by Roberts Properties, effective February 4, 2008, as amended January 1, 2014. Under the terms of the arrangement, we reimburse Roberts Properties the cost of providing consulting services in an amount equal to an agreed-upon hourly billing rate for each employee multiplied by the number of hours that the employee provided services to us. As amended, the arrangement provides that the appropriate billing rate shall be calculated by multiplying an hourly cost for an employee (which is defined as the employee's salary, plus benefits paid by the Roberts Companies, divided by 2,080 annual hours) by a factor of 2.25 for all employees (increased from a factor of 1.7), including Roberts Properties' Chief Financial Officer (increased from a factor of 1.8). The reimbursement arrangement allows us to obtain services from experienced and knowledgeable personnel without having to bear the cost of employing them on a full-time basis. Under this arrangement, we incurred \$119,589 in 2015 and \$459,555 in 2014.

Other Reimbursements to Roberts Properties. We reimbursed Roberts Properties \$9,768 in 2015 and \$36,393 in 2014 for our operating costs and other expenses.

Agreements with FTI Consulting, Inc.

On January 30, 2015, our Manager entered into two engagement agreements with FTI, which is the employer of Mark E. Chertok, our Chief Financial Officer.

Under the first agreement, our Manager engaged FTI, on our behalf, to provide Mark E. Chertok to serve as our Chief Financial Officer reporting to the Board of Directors or a committee of the Board. Accordingly, Mr. Chertok reports to the Audit Committee of the Board of Directors. Under this agreement, our Manager pays FTI a monthly fee for Mr. Chertok's services, which is reimbursed by us to our Manager under the reimbursement arrangement for Dedicated Employees described above. FTI is also reimbursed for the reasonable allocated and direct expenses incurred by FTI in the performance of its services.

Under the second agreement with FTI, our Manager engaged FTI, on our behalf, to provide various accounting and financial reporting services in conjunction with the services that Mr. Chertok provides as the Company's Chief Financial Officer. The Company pays FTI monthly fees based on the hourly rates of the FTI employees who perform the services.

On September 28, 2015, the Company engaged FTI, on behalf of the Board's Compensation Committee, to provide certain consulting services with respect to the Company's compensation program for its independent directors and certain employees. The Company paid FTI a fee based on the actual time spent performing services at the applicable hourly rates of the FTI consultants who perform the services.

Approval of Transactions with Related Persons

We have two types of policies and procedures for the review, approval, or ratification of any transaction we are required to report. The first is our longstanding policy that conflicting interest transactions by directors as defined under Georgia law must be authorized by a majority of the disinterested directors, but only if there are at least two directors who are disinterested with respect to the matter at issue. The second is that under our Code of Business Conduct and Ethics, related party transactions are subject to appropriate review and oversight by the Board's Audit Committee.

The Board is subject to provisions of Georgia law that are designed to eliminate or minimize potential conflicts of interest. Under Georgia law, a director may not misappropriate corporate opportunities that he learns of solely by serving as a member of the Board. In addition, under Georgia law, a transaction effected by us or any entity we control (including the operating partnership) in which a director, or specified related persons and entities of the director, have a conflicting interest of such financial significance that it would reasonably be expected to exert an influence on the director's judgment, may not be enjoined, set aside, or give rise to damages on the grounds of that interest if either:

- the transaction is approved, after disclosure of the interest, by the affirmative vote of a majority of the disinterested directors, or by the affirmative vote of a majority of the votes cast by disinterested shareholders; or
- the transaction is established to have been fair to us.

Under our Code of Business Conduct and Ethics, a "conflict of interest" occurs when an individual's private interest interferes or appears to interfere with the interests of the Company. A conflict situation can arise when our employee, officer or director takes actions or has interests that may make it difficult to perform his or her services to the Company objectively and effectively. For example, a conflict of interest would arise if a director or officer, or a member or his or her family, receives improper personal benefits as a result of his or her position in the Company.

Conflicts of interest are prohibited as a matter of company policy, except under guidelines approved by the Board of Directors or as provided by the Management Agreement.

PROPOSAL 2 – RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Changes in Our Independent Registered Public Accounting Firm

On September 10, 2015, the Audit Committee of our Board of Directors approved the engagement of Deloitte & Touche LLP ("Deloitte") as the Company's independent registered public accounting firm for the purpose of auditing the Company's financial statements, effective as of September 10, 2015. This selection resulted in the dismissal by the Audit Committee of Cherry Bekaert LLP ("Cherry Bekaert"), which had served in that role until September 10, 2015.

On March 28, 2014, the Audit Committee of our Board of Directors, as constituted prior to the A-III transaction, approved the engagement of Cherry Bekaert as the Company's independent registered public accounting firm for the purpose of auditing the Company's financial statements, effective as of April 3, 2014. This selection resulted in the dismissal by the Audit Committee of CohnReznick LLP ("CohnReznick"), which had served in that role until March 28, 2014.

The audit reports of Cherry Bekaert on the consolidated financial statements of the Company as of and for the years ended December 31, 2014 and 2013 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

During the fiscal year ended December 31, 2014 and from January 1, 2015 through September 10, 2015, (i) there were no disagreements with Cherry Bekaert on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures that, if not resolved to Cherry Bekaert's satisfaction, would have caused Cherry Bekaert to make reference in connection to their opinion to the subject matter of the disagreement and (ii) there were no "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K.

The Company provided Cherry Bekaert with a copy of the disclosures made in a Current Report on Form 8-K (the "Report") prior to the time the Report was filed with the SEC and requested that Cherry Bekaert furnish the Company with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the statements made by the Company therein and, if not, stating the respects in which it does not agree. The letter from Cherry Bekaert to the Securities and Exchange Commission dated as of September 10, 2015, was filed on our Form 8-K dated September 11, 2015 and is incorporated by reference.

During the fiscal year ended December 31, 2015, neither the Company nor (to the Company's knowledge) anyone acting on behalf of the Company consulted with Deloitte regarding either (i) the application of accounting principles to a specified transaction (either completed or proposed), (ii) the type of audit opinion that might be rendered on the Company's financial statements, or (iii) any matter that was either the subject matter of a "disagreement," as described in Item 304(a)(1) of Regulation S-K, or a "reportable event."

As noted above, on September 10, 2015, our Audit Committee engaged Deloitte as our independent registered public accounting firm for the purpose of auditing our financial statements for the 2015 fiscal year. During the two fiscal years ended December 31, 2015 and 2014, neither we nor (to our knowledge) anyone acting on behalf of us consulted with Deloitte regarding (i) the application of accounting principles to a specified transaction (either completed or proposed), (ii) the type of audit opinion that might be rendered on our financial statements, or (iii) any matter that was either the subject matter of a “disagreement,” as described in Item 304(a)(1) of Regulation S-K, or a “reportable event.”

Prior to the closing of our transaction with A-III, A-III engaged Deloitte as a consultant to assist A-III with its due diligence investigation of our Company regarding tax matters and to provide advice to our Company in connection with our preparation and filing with the Internal Revenue Service of amended tax returns that we filed as a result of our loss of REIT status. These services are permissible under applicable SEC rules and do not impair Deloitte’s independence.

We are asking our shareholders to ratify the appointment of Deloitte as our independent registered public accounting firm for 2016. Although the ratification is not required by our bylaws or other governing documents, the Board is submitting the selection of Deloitte to our shareholders for ratification as a matter of good corporate practice. Even if the shareholders do ratify the appointment, our Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it believes that such a change would be in the best interest of us and our shareholders.

The Board of Directors recommends a vote FOR the ratification of the appointment of Deloitte as our independent registered public accounting firm for 2016.

Audit Fees

“Audit Fees” consist of fees and expenses billed for professional services rendered for the audit of the financial statements, review of the interim consolidated financial statements, review of registration statements and the preparation of comfort letters and services that are normally provided by accountants in connection with statutory and regulatory filings or engagements. In 2014, the audit fees included \$216,500 related to the previously announced restatements of the financial statements.

Audit-Related Fees

“Audit-Related Fees” consist of fees and expenses for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements that are not “Audit Fees.”

Tax Fees

“Tax Fees” consist of fees and related expenses billed for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal and state tax compliance, tax planning and structuring and research and assistance with the 2014 and 2013 restatement.

All Other Fees

“All Other Fees” consist of fees and expenses for products and services that are not “Audit Fees,” “Audit-Related Fees” or “Tax Fees.”

Pre-Approval Policy

All audit, tax and other services provided to us are reviewed and pre-approved by the Audit Committee. All fees paid to Cherry Bekaert and Deloitte in 2015 and 2014 described above were approved by the Boards, as constituted prior to and following the A-III transaction, as applicable.

The Audit Committee has considered whether, and has determined that, the provision by CohnReznick, Cherry Bekaert and Deloitte of the services described under “Audit-Related Fees,” “Tax Fees” and “Other Fees” is compatible with maintaining CohnReznick’s, Cherry Bekaert’s and Deloitte’s independence from management and the Company.
